characters in his stories are animals, some of which take on human characteristic and are personified in ways of speech and emotions.

### **Aesop Fables - Story It**

Aesop was a Greek fabulist and storyteller credited with a number of fables now collectively known as Aesop's Fables. Although his existence remains unclear and no writings by him survive, numerous tales credited to him were gathered across the centuries and in many languages in a storytelling tradition that continues to this day. Many of the tales are characterized by animals and inanimate objects that speak, solve problems, and generally have human characteristics. Scattered details of Aesop's
