...

The Truth About The Stock Market "But they that will be rich fall into temptation and a snare, and into many foolish and hurtful lusts, which drown men in destruction and perdition. For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.

The Truth About The Stock Market

— John Kay, The Truth About Markets: Why Some Nations are Rich But Most Remain Poor "Whenever competitive mechanisms are not available, or not used, there are potential problems of incentive compatibility. The common response is to set targets, and reward or punish by reference to the targets.

The Truth About Markets Quotes by John Kay

Why are some people and some countries rich, and others are poor? Why did centrally planned regimes fail in economic competition with market economies? How do decentralised market economies coordinate complex products and global distribution? (...) What really determines our economic behaviour? These are questions with which this book is concerned.
